Ingredients

Fish Tacos

- 1 lb. mild white fish, such as cod or mahi mahi
- 1/4 tsp. kosher salt
- 4 Tbsp. extra-virgin olive oil, divided
- 2 Tbsp. fresh orange juice
- 2 Tbsp. taco-seasoning (store-bought or homemade) I use Siete brand
- 1/4 cup full-fat Greek yogurt sub sour cream
- 2 Tbsp. mayonnaise I use avocado oil mayonnaise
- 2 Tbsp. fresh lime juice
- 1 tsp. Old Bay Seasoning
- Dash of hot sauce, such as Tabasco optional
- 4 to 5 cups shredded cabbage (or coleslaw mix)
- 8 corn or flour tortillas, warmed

Mango Salsa

- 1 1/2 cups finely diced fresh mango (from 2 mangoes)
- 1 small red bell pepper, finely diced
- 1/4 cup finely diced red onion
- 1/4 cup finely chopped fresh cilantro
- 1 jalapeño, seeds and ribs removed, minced
- 2 Tbsp. fresh lime juice
- 1/4 tsp. ground cumin
- 1/4 tsp. kosher salt

Instructions

1. **Prepare Fish:** Pat the fish dry with paper towels and season with 1/4 tsp. salt. Place fish in a small baking dish (8x8" or 9x9") or wide-rimmed bowl. In a small bowl, combine 2 Tbsp. olive oil, orange juice, and taco seasoning; whisk to combine. Pour mixture over fish and gently turn fish to coat in marinade. Cover and refrigerate for a minimum of 30 minutes, or up to 2 hours.
2. **Prepare Mango Salsa:** In a large bowl, combine mango, red bell pepper, red onion, cilantro,

jalapeño, lime juice, cumin, and salt; mix to combine. Refrigerate until ready to use.

3. **Prepare Baja Sauce and Slaw:** In a small bowl, combine Greek yogurt (or sour cream), mayonnaise, lime juice, Old Bay Seasoning, and a dash of hot sauce (if using); whisk to combine.

In a separate large bowl, add shredded cabbage (or coleslaw) and season with a pinch of salt. Add 3 Tbsp. of the Baja Sauce and reserve remaining for topping. Toss slaw to combine and set aside.

4. **Cook the Fish:** Heat remaining 2 Tbsp. olive oil in a large skillet over medium-high. Once hot, add the marinated fish and cook, undisturbed, for about 4 minutes. Gently flip, and cook for another 3 to 4 minutes, until the fish is firm to the touch. Transfer fish to a plate and flake into large chunks
5. **Assemble Tacos:** Place a small amount of slaw in each tortilla, followed by the fish, mango salsa, and a finishing drizzle of remaining Baja Sauce.

Notes

Make-Ahead: Prepare the mango salsa up to 1 day ahead and store in an airtight container in the refrigerator.

Store: Store all components separately for optimal freshness. The fish will last up to 2 days refrigerated, however the slaw only stays crunchy for 1 day. I suggest only making the amount of slaw you plan on immediately using, and reserving the rest.

Reheat: To reheat the fish, drizzle a small amount of olive oil in a skillet over medium heat. Once hot, add fish, and gently cook for 3 to 4 minutes, until warm.
