## Ingredients

- 2-3 lbs boneless chuck roast
- 1 tablespoon avocado oil or neutral oil (plus more for taco frying)
- coarse ground salt and fresh ground pepper
- 4 dried Guajillo chiles
- 5-6 Chipotle chilis in adobo (from a can)
- 1 small red onion, thinly sliced
- 8 whole cloves garlic, smashed
- 32 oz beef stock or beef broth
- 1 tablespoon tomato paste
- 1 14.5 oz can Fire roasted diced tomatoes
- ¼ cup organic Apple cider vinegar
- 1 tablespoon ground cumin
- 1 tablespoon dried oregano (Mexican oregano preferred)
- 1 cinnamon stick
- 3 dry bay leaves
- 1 teaspoon smoked paprika
- ½ tablespoon fresh grated ginger
- 1 tsp ground coriander

## Tacos/fixings

- corn or flour tortillas
- lime wedges
- fresh cilantro leaves
- diced white onion
- shredded Oaxacan cheese (or Italian cheese/Mozzarella cheese)

## Instructions

### 1. Cooking the Beef/Consomme:

1. Heat avocado oil in a cast iron skillet over high heat for 4-5 minutes.
2. Liberally salt and pepper beef, add to hot skillet, and sear on both sides, 5-6 minutes a side.
3. Add beef to crockpot with remaining ingredients, and stir. Cook on low heat, covered, for 8 hours.
4. After 8 hours, remove beef to a rimmed baking sheet, and shred with 2 forks.
5. Remove bay leaves and cinnamon stick from crock pot and discard.
6. Using a high powered blender or immersion blender, blend everything until a smooth sauce forms. \*\*\*If using a standard blender, allow liquid to cool to warm (don't blend piping hot liquid!), then carefully work in batches in the blender, being careful not to overfill.
7. Transfer sauce back to crockpot to keep warm.
8. Add 1 ½ to 2 cups of sauce to shredded beef and toss to coat.

### Tacos:

1. Dip doubled up tortilla into consomme, and lay flat in frying pan with a bit of avocado oil or neutral oil over medium heat.
2. To one half of the tortilla, add cheese, then meat, and top with diced onions and cilantro leaves.
3. Fry 2-3 minutes over medium heat, then flip other side to make a half moon.
4. Add a small ladle of consomme to the top of the tortilla.
5. Flip over, and fry 2-3 minutes more.

\*\*If not using cheese, 1 tortilla is fine.

## Notes

Strain the sauce and use the liquid rather than blending into a sauce for a thinner consistency for the consomme/dip. You could also blend half and use half liquid.

### Instant Pot Variation: quick alternative if you don't have 8 hours

Cut the beef into 2" chunks, sear the meat, add the braising liquid ingredients, and cook for 60 minutes at high pressure, with a manual release. Follow same steps as Crockpot recipe for meat/consomme after cooking.
