Prep Time 5 mins	Cook Time 15 mins	Total Time 20 mins
---------------------	----------------------	-----------------------

Ingredients

Chicken

- 2 boneless, skinless chicken breasts, cut in half horizontally to make thinner steaks
- 1 tsp salt
- ¼ tsp freshly cracked black pepper
- 1 tsp sweet paprika
- 1 tsp onion powder
- 1 tsp dried thyme
- 35 g plain (all-purpose flour)
- 1 tbsp olive oil
- 1 tbsp unsalted butter

Sauce

- 1 tbsp unsalted butter
- 1 tbsp freshly minced garlic
- 125 ml chicken stock
- 300 ml thickened (whipping/heavy) cream
- 1 tsp dijon mustard
- 50 g grated parmesan
- Sea salt flakes, to taste
- Freshly cracked black pepper, to taste

To serve

- Mashed potatoes, steamed rice or pasta
- Steamed greens
- 1 tbsp finely chopped flat-leaf parsley
- Lemon wedges

Instructions

1. **Coat the chicken** – Sprinkle the chicken with salt, pepper, sweet paprika, onion powder and thyme. Press the chicken into the flour so that all sides are evenly coated.
2. **Cook the chicken** – Heat the olive oil and 1 tablespoon of butter in a large, deep frying pan over medium–high heat. Add the chicken and cook for 5–6 minutes, or until the chicken is just cooked, turning once halfway through.

3. **Set chicken aside** – Remove the chicken from the pan and set it aside on a plate.
4. **Make the sauce** – To the same pan, add the butter for the sauce. Once melted, add the garlic, stirring for 30 seconds.
5. Add the chicken stock and cook for 1–2 minutes until it has evaporated by at least half. Stir in the cream and dijon mustard, reduce the heat to medium, and simmer for 2 minutes until the sauce has thickened slightly.
6. **Return the chicken to the pan** – Stir through the parmesan, season to taste, then return the chicken to the pan for 2–3 minutes or until the chicken is heated through.
7. **Serve** – Serve the chicken with rice, mashed potatoes or pasta and a side of steamed greens. Top with freshly chopped parsley and a squeeze of lemon juice.

Notes

Make Ahead

Creamy Garlic chicken can be made ahead to make weeknights that little bit easier. Refrigerate the cooked chicken with the sauce (to stop the chicken drying out) for up to 3 days. Not suitable to freeze.

Leftovers

Creamy Garlic Chicken leftovers can be refrigerated for up to 3 days. Refrigerate the cooked chicken with the sauce (to stop the chicken drying out) for up to 3 days in an airtight container. Not suitable to freeze.

To reheat on the stovetop: Reheat over low heat in a covered pan, stirring occasionally. Add a splash of water if the sauce thickens too much.

To reheat in the microwave: Reheat in short bursts (30–40 seconds at a time), stirring in between bursts to ensure even heating. Add a little extra water if needed to loosen the sauce. Note: Cream-based sauces can sometimes separate or become grainy when reheated. To help prevent this, reheat gently over low heat and stir well. If the sauce starts to split, whisk in a small splash of cream or warm milk to bring it back together.
