

Greek Chicken Bowls

Ingredients

Greek Chicken

1 tbsp olive oil
0.5 cup red onion diced
3 cloves garlic minced
1 lb ground chicken
1 tbsp dried oregano
1 tsp dried dill
0.5 tsp salt plus more to taste
0.25 tsp black pepper
1 tbsp fresh lemon juice

Bowls & Toppings

4 cups cauliflower rice cooked (or regular rice)
1 English cucumber diced
0.5 cup Kalamata olives pitted and sliced
0.25 cup red onion finely diced, for topping
0.25 cup fresh dill chopped
1 cup tzatziki sauce store-bought or homemade (dairy-free if needed)
Crumbled Feta for topping

Instructions

1. Prepare your base: Cook cauliflower rice (sautéed for 5-7 mins) or regular rice according to package directions.
2. Heat olive oil in a large skillet over medium-high heat. Add diced red onion and cook for 3 minutes until softening.
3. Add minced garlic and cook for 30 seconds until fragrant.
4. Add ground chicken to the skillet, breaking it apart with a spoon as it cooks.
5. When chicken is mostly browned, season with oregano, dried dill, salt, and pepper. Cook until chicken is fully cooked through (about 5-7 mins total).
6. Remove from heat and stir in fresh lemon juice.
7. To assemble: Divide the rice base among 4 bowls.
8. Top with the cooked Greek chicken.
9. Add toppings: diced cucumber, sliced olives, raw red onion, and fresh dill.
10. Finish with a generous dollop of tzatziki sauce on each bowl.

Notes

For meal prep, store the chicken and rice base separately from the cold toppings and sauce. Reheat chicken/rice, then top with cold ingredients.
