INGREDIENTS

- 3 cups bread flour 360g
- 1 tsp instant yeast
- 1 tsp fine sea salt
- 1 tsp garlic powder
- 1 tsp dried Italian seasoning
- 4 cloves roasted garlic roughly chopped
- ¾ cup Parmesan cheese 75g, freshly grated, divided
- 1½ cups warm water 355ml, around 110°F
- 1 tbsp olive oil
- extra Parmesan and flaky salt for topping

INSTRUCTIONS

1. **Mix the dry ingredients.** In a large bowl, whisk together flour, yeast, salt, garlic powder, and Italian seasoning.
2. **Add the wet ingredients.** Pour in warm water and olive oil. Stir until a shaggy dough forms with no dry flour remaining.
3. **Fold in the garlic and cheese.** Add roasted garlic and half the Parmesan and fold through the dough.
4. **Rest the dough.** Cover tightly with plastic wrap and let sit at room temperature for 12 to 18 hours, or 4 to 6 hours in a warm kitchen.
5. **Shape the loaf.** Turn bubbly, risen dough onto a lightly floured surface. Fold a few times and form into a round ball.
6. **Add the topping.** Place dough on parchment paper. Top with remaining Parmesan and flaky salt. Rest 30 minutes.
7. **Preheat.** Place Dutch oven with lid inside the oven. Preheat to 450°F (230°C) for at least 30 minutes.
8. **Bake covered.** Lower dough into hot Dutch oven using parchment. Cover and bake for 25 minutes.
9. **Bake uncovered.** Remove lid and bake 15 to 18 more minutes until deep golden brown.
10. **Cool before slicing.** Transfer to a wire rack and cool at least 20 minutes before cutting.

NOTES

- Use freshly grated Parmesan for the best melt and flavor - pre-shredded bags have anti-caking agents.
- Roasted garlic is sweeter and less sharp than raw; it is worth roasting a head in advance.
- The Dutch oven is key for a crackly crust - do not skip it.
- Freeze sliced leftover bread and toast directly from frozen for best results.
