Notes

- ✳ **Meatballs:** The meatball recipe from my garlic bread meatball subs is designed to yield lots of meatballs so you can make both that recipe and this one. If you aren't making meatballs from scratch, I love to use the Amylu Foods teriyaki pineapple chicken meatballs for this recipe!
- ✳ **Pineapple:** chunks of fresh pineapple are a very delicious addition to this stir-fry, especially if making with chicken meatballs!
- ✳ **My Go-To Rice Method:** Rinse 1 ¼ cups of jasmine rice in a fine-mesh sieve until the water runs clear. Place the rice, 2 ¼ cups water and a big pinch of salt in a saucepan. Bring to a rolling boil and then reduce to a simmer and cover with a tight-fitting lid. Cook for 10 minutes and then, without taking the lid off, turn the heat off and let it sit for 10 minutes. Remove lid, fluff with a fork and serve!
