Ingredients

- 1 pound ground Italian sausage hot or mild
- 1 small yellow onion diced
- 3 cloves garlic minced
- 3 Tablespoons flour
- 1 teaspoon dried basil
- ½ teaspoon oregano
- 1 pinch cayenne optional
- 1 teaspoon hot sauce
- ½ teaspoon mustard powder
- ¼ teaspoon pepper
- 1 pinch red pepper flakes
- 1 cup heavy cream
- 5 cups chicken broth
- 2 cups kale chopped
- 2 cups tortellini just under 10 oz. (refrigerated or frozen)
- Salt/ to taste

Instructions

1. **Note:** The mustard powder and hot sauce are so subtle in this soup but help enhance the other flavors, so although you may be hesitant to add them, I highly recommend it!
2. Remove the casings from the sausage if you purchased links. **Cook and crumble the sausage and diced onions** over medium-high heat until the onions are softened and the sausage is cooked through, 8-10 minutes. Drain grease. **Add the garlic** and cook for 1 minute.
3. **Add the flour** and cook for 1-2 minutes to remove the raw flour taste.
4. **Add basil, oregano, cayenne, hot sauce, mustard powder, pepper, and red pepper**

flakes. Stir to combine.

5. **Add the chicken broth** and use a silicone spatula to "clean" the bottom of the pot. **Slowly stir in the heavy cream.** Bring to a boil, reduce to a simmer.
6. **Add the kale and tortellini** and simmer for 3-5 minutes. (If your tortellini needs longer cooking time, add the tortellini first, then the kale during the last 5 minutes.)
7. Taste the soup and **add salt if desired.** Start with ¼ tsp and add more after that if needed.
8. Transfer to serving bowls and **serve!** (This is great with Garlic Bread with Cheese!)

Notes

Pro Tips:

- I use RANA refrigerated cheese-filled tortellini for this recipe. I also use Texas Pete hot sauce or Frank's Hot Sauce.
- For even more flavor, **add the rind from a block of Parmesan or Romano cheese** when you add the broth and let it simmer and flavor the soup. If any remains at the end of cooking, it can be discarded. Salt will likely not need to be added if you do this.
- **2-3 cups of Spinach** can be used instead of kale, stir it in once the tortellini is cooked and let it wilt, about 30 seconds.

Crock Pot Method:

- **Brown the sausage/onions** on the stove top and **add the flour** as outlined in steps 2 + 3.
- **Transfer everything except for the cream, tortellini, and spinach** to the slow cooker.
- Cook it on **high for 4-5 hours or on low for 6-7.**
- **Stir in the kale** toward the end and let that heat up for 10-15 minutes.
- Turn heat off. **Temper the cream** in the microwave for 45 seconds and **stir it in slowly>**
- **Add cooked tortellini** to serving bowls and ladle soup on top!

Storage

- Store in an airtight container and **refrigerate for up to 3 days or freeze for 3+ months.**
- Note that **the tortellini will continue to absorb broth during storage.** I recommend boiling the tortellini separately and add it directly to serving bowls if you plan on having leftovers.
