Before You Cook

All cook times are approximate based on testing.

1. Start the Salmon

- Turn oven on to 425 degrees. Let preheat, at least 10 minutes. Thoroughly rinse any fresh produce and pat dry.
- Pat **salmon** dry and season flesh side with **chimichurri seasoning**.
- Place a medium non-stick pan over medium-high heat and add 1 tsp. **olive oil**. Add salmon, skin-side up, to hot pan. Sear until golden-brown, 2-4 minutes on one side.
- Remove from burner. Transfer salmon, seared-side up, to one side of provided tray.
- While salmon bakes, continue recipe.

2. Add the Rice

- Carefully massage **rice** in shipping bag to break up any clumps. Tear a small slit in an upper corner of bag to vent. Place upright in microwave and heat, 45 seconds.
- Remove rice from packaging. Transfer to empty side of tray.
- Stir in **red peppers**, **buttermilk-dill seasoning**, $\frac{1}{4}$ tsp. **salt**, and a pinch of **pepper**. Top rice with **butter**. *Butter will melt as meal bakes.*
- Cover rice side with foil.

3. Bake the Meal

- Bake half-covered (rice covered, salmon uncovered) in hot oven until **salmon** reaches a minimum internal temperature of 145 degrees, 8-10 minutes.
- Carefully remove tray from oven.
- To serve, top salmon with **lemon juice** and **tzatziki** and garnish rice with **cheese**. Bon appétit!
